Check List of DAFFODILS

Grown and Offered by

OREGON BULB FARMS

Sandy, Oregon

Address all mail to Sandy, Oregon

Telegrams to Portland, Oregon

SINCE it is virtually impossible to list and fully describe in our wholesale catalog the more than six hundred varieties we grow, we have decided to issue this alphabetical list in addition to our usual descriptive catalog. Varieties of proven merit have been marked (*) and are priced in our catalog.

All bulbs are offered subject to satisfactory crop and to being unsold on receipt of order. Orders should be sent in as early as possible, as some stocks are small and cannot be replaced. All orders should be received not later than August 20, as after that date all unsold bulbs will be replanted. Quotations and full descriptions gladly furnished on request.

An Invitation

We extend to our friends and all those interested in daffodils a most cordial invitation to visit our experimental grounds and our extensive farms and to acquaint themselves personally with the perfection of our cultures.
